they got... **YOU!**

BOMB BUSTERS

BOMB BUSTERS

A game by Hisashi Hayashi, illustrated by Dom2D

There is a bomb full of wires and the countdown has begun...
Who are you gonna call? YOU, the Bomb Busters!

To safely defuse each bomb, you'll need to **COLLABORATE** with your fellow team of bomb disposal experts!

Use the wires you have in front of you to try and **DEDUCE** your teammates' wires.

Find and cut identical pairs of wires, but be careful, if you snip a RED wire: **BOOM!**

Use your equipment wisely to meet the dozens of challenges which get more difficult each mission.

Tick tick tick tick... Can you figure it out before it's too late?

66 MISSIONS

- 66 missions with a new mission every week (not getting any easier!)
- 66 challenges to overcome (even if you are a pro, you will need to play carefully!)
- 66 missions to play depending on your preference (play all 66 in sequential order, select a desired difficulty level, or replay your favorite missions!)
