# BOMB BUSTERS

A game by **Hisashi Hayashi**, illustrated by **Dom2D**

There is a bomb full of wires and the countdown has begun...  
Who are you gonna call? **YOU**, the Bomb Busters 🐰!

To safely defuse each bomb, you'll need to **COLLABORATE** with your fellow team of bomb disposal experts!

Use the wires you have in front of you to try and **DEDUCE** your teammates' wires.

Find and cut identical pairs of wires, but be careful, if you snip a **RED** wire: **BOOM!**

Use your equipment wisely to meet the dozens of challenges which get more difficult each mission.

Tick tick tick tick... Can you figure it out before it's too late?

## 66 MISSIONS

- 66 bombs which grow more and more dangerous (but don't get snippy!)
- 66 challenges to play over and over (even if you already blew your top!)
- 66 different ways to play depending on your preference (play all 66 in sequential order, select a desired difficulty level, or replay your favorite missions!)
