BOMB BUSTERS

They wanted the best team,
they got... **YOU!**

BOMB BUSTERS

BOMB BUSTERS

A game by **Hisashi Hayashi**, illustrated by **Dom2D**

There is a bomb full of wires and the countdown has begun...
Who are you gonna call? YOU, the Bomb Busters 

To safely defuse each bomb, you'll need to **COLLABORATE** with your fellow team of bomb disposal experts!

Use the wires you have in front of you to try and **DEDUCE** your teammates' wires.

Find and cut identical pairs of wires, but be careful, if you snip a RED wire: **BOOM!**

Use your equipment wisely to meet the dozens of challenges which get more difficult each mission.

Tick tock tick tock... Can you figure it out before it's too late?

66 MISSIONS

- 66 bombs which grow more and more dangerous (but don't get snippy!)
- 66 challenges to play over and over (even if you already blew your top!)
- 66 different ways to play depending on your preference (play all 66 in sequential order, select a desired difficulty level, or replay your favorite missions!)
