

A game by **Antoine Bauza** Illustrated by **Laura Michaud**
For 2 to 5 Players - Age 14+

HANABI : a surprising and
incredibly innovative challenge !

In this never-before-seen cooperative game,
players work together to shoot off beautiful
fireworks. But as the powders, fuses and rockets
are completely mixed up, each player has to
hold the cards facing outward!

No-one can see their own game...
so you'll need to keep your teammates
informed and memorize the
information you've received.
Teamwork is key to an
unforgettable show!
