LA MÊME
CHOSE!

The image features a vibrant teal background with concentric circular patterns. In the upper half, a dark teal hand holds a clear wine glass containing a small amount of red liquid. To the left, another dark teal hand points its index finger towards the glass. A white oval ring is positioned between the two hands. In the top right corner, there are three white rectangular shapes of varying lengths, suggesting motion or light. The lower half of the image is dominated by the text 'LA MÊME CHOSE!' in a bold, orange, blocky font with thick black outlines and a slight 3D effect. The entire composition is framed by a large, stylized white smile-like shape at the bottom.
